Hi Steve,

We looked for a house in Frisco that fit our needs for over two years. Unfortunately, we did not find one and recently we found a build site in Allen that works very well. We did not want to leave Frisco.

Our house in Frisco sold really quick and we are moving to an apartment in Plano on November 20, 2009. Therefore, I must respectfully tender my resignation on the BOA and the ZAC.

As we discussed, I appreciate you sending this to the city council for approval.

Also, please send my respects to city staff, BOA members and ZAC members with whom I have so enjoyed working these past few years.

I have really enjoyed working with you.

Mike Ballard
